

Rio de Janeiro, 03.02.2015

To whom it may concern:

Over the last couple of years, the Consulate General of Switzerland has requested the services of Mr. Michael Bonin from Brazil Insider – Destination Management Company.

He was charged of the organization and execution of the logistic parts related to different events such as Rio+20, the JMJ Rio 2013, the opening of the Swissnex Brazil office, the FIFA World Cup 2014 as well as the early stage of preparations of the upcoming Olympic Games 2016. The support of delegations and Swiss personalities visiting Rio de Janeiro during the above mentioned events was also an important part of his duties.

The logistic projects included the evaluation and price negotiations of the hotels, coordinating the use of the cars and drivers according to the needs of the members of the delegation, evaluation of different restaurants and negotiation of favorite conditions for big and small groups as well as providing tourist information and organizing individual sightseeing tours upon request.

Throughout the whole period Mr. Michael Bonin handled with responsibility and dedication making the different procedures as smooth as possible. He kept his personal and professional conduct impeccable and was highly competent.

As part of the preparation work prior to FIFA Soccer World Cup 2014, Mr. Bonin produced a document showcasing different options that led us to choose the location of the Swiss House opened during the event and awarded with the best public viewing house by the inhabitants of Rio de Janeiro.

We greatly appreciated his support and we can only recommend him to anyone interested in contracting his services.

Please do not hesitate to contact us for further details.

Sincerely,

Christophe Vauthey
